Year 6 Residential trip to Cuffley Camp

Monday 19th to Friday 23rd May

Dear Year 6 families,

Sending information for the Year 6 residential trip always feels incredibly early, but I wanted to ensure all the information is with you as early as possible, so you were able to make a decision and have plenty of time to have the option of making an increased number of smaller payments.

We are pleased to offer our Year 6s the opportunity to take part in an exciting five-day / four-night residential trip with the Active Learning Centre from Monday 19th to Friday 23rd May 2025. They will be staying at Cuffley Camp, which is set within a 96-acre woodland in the heart of Cuffley, Hertfordshire.

Accommodation for the four nights is in tents in a private camp around a central yurt, with dedicated toilet and shower blocks nearby. The children will eat their meals in the Refectory, Pizza Palace, Woodland Kitchen and BBQ Kitchen.

The Active Learning Centre offers an exciting adventure activity programme that will challenge, thrill, and inspire the children. Activities may include archery, high ropes course, leap of faith, gladiator challenge, fire lighting, shelter building, up and under course and survival scenarios.

Pupils will be supervised and taught by staff from the Active Learning Centre. We do not expect the cost of the trip to exceed £350.00. However, the final cost will depend on the number of pupils wishing to participate. We will confirm the exact costs when numbers have been established next week and the payment schedule will be provided at that time.
