Sports Grant Funding 2017-18

Purpose of the premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2017 to 2018 academic year, to encourage the development of healthy, active lifestyles.

The allocation for Birchwood Avenue Primary School for Sports Premium funding for the 2017-18 financial year was £9,010.

We have identified two key areas for our sports premium spending this year:

- ★ staff and curriculum development which allows for sustainable improvements

Developing Teacher's Delivery of effective PE lessons through professional development and use of developmental resources

Our membership of the national sports trust and our local sports partnership provides training and development and introductions to a range of resources and programmes to improve the sporting success of the school.

Cost £1.234

Participation in competitive Sports

We compete across the year in a range of county and local sports competitions. This year these have included, football and netball tournaments, indoor athletics, the Gold Coast Games, District Athletics, and Speedstacking (we are the county champions in this area).
