

English In English, We will be focussing on a variety of texts including 'The Tree and the River', 'The Firework Maker's Daughter' and 'The Angelfish'. This will allow the children to explore a number of different texts. This will provide opportunities for the children to explore writing letters, non-chronological reports while using writing techniques such as fronted adverbials and expanded noun phrases to develop their own writing.		Maths In Maths, our learning is centred on addition and subtraction, place value, multiplication and division. This year, we will be visiting different areas of maths at various times, to help with embedding information into our long-term memory. In these areas of maths, the children will develop their understanding on the four operation signs. Children will be equipped to use mathematical vocabulary to explain their thinking and demonstrate their understanding		
Spanish In Spanish, The children will recap previous knowledge and develop their understanding on greetings, animals and parts of the body.	Science This term, children will explore human teeth and digestion and how we use these when eating and drinking. . We will move on to learning about states of matter. We will be comparing and grouping materials	Autumn Term 2026  Year 4 Curriculum	History/Geography In History, how the lives of children have changed through since the Tudors and Victorian times. Whilst in Geography we will be learning about rainforests and where they are located.	RE In RE this term, the children will be exploring whether all religions are equal as well as finding out what makes some texts sacred.
Computing In Computing, we will be learning about computer systems and networks, finding out how the internet works as well as how to stay safe online and how to create your own media.	Music This term, children will develop their understanding of how we can use our body to create music whilst understanding the structure of music.	PE This term, children will develop their ball skills, teamwork and dance skills through a range of fun activities. Please send PE kits to school at the start of the week, with trainers where possible. We have PE on Wednesday and Friday.	PSHE In PSHE, the children will have the opportunity to explore and discuss what it is like 'Being in my world'. We will be reflecting on how we care for others and how we can make them feel welcome	Art & Design/Design & Technology In Art, we will be focussing on our drawing skills in Art. We will begin by looking at 3D sketches. In D&T, we will be looking at structures, leading to us creating our own pavilions.
